### COMMENTS:

The January 15, 2004, amendment replaces the proposed California Lesbian Gay Bisexual and Transgender Veterans' Memorial Commission with the California Veterans' Memorials Commission. Accordingly, this bill would create the California Veterans' Memorials Commission that would review and respond to a request for a memorial by any veteran, family member of a veteran, veterans' organization, elected official, member of the commission, or any state resident. A fund would be established in the State Treasury as a repository for private contributions received by the Commission.

This bill does not create a voluntary contribution fund for inclusion on the state income tax return.

This bill would not impact the department's programs and operations or state income tax revenue.
